YLG GOLD CREST FZCO

YLG has expanded into the Middle East at the invitation of the UAE government, marking a pivotal strategic milestone. With gold contributing roughly 29% of the nation's export value, the region stands as one of the world's most influential bullion markets. YLG views the Middle East as a high-potential growth frontier and is committed to building a strong, long-term presence in this emerging landscape.

OUR CORE SERVICES

SERVICES

BULLION TRADING

YLG Gold Crest FZCO, based in Dubai, specializes in bullion trading, offering a comprehensive range of services for buying and selling gold and other precious metals. We deal in DGD and LBMA accredited bars, adhering to the highest industry standards to ensure the quality and authenticity of our products. Our expertise and global connections enable us to provide competitive pricing and efficient transactions, catering to the diverse needs of our clients in the precious metals market.

LOCO SWAP

YLG Gold Crest FZCO provides professional loco swap services, offering both loco ounces swap and location swap for metals. We cater to both allocated and unallocated metal services, ensuring flexibility and efficiency in managing your precious metal holdings. Our expertise and global network allow us to deliver seamless and reliable loco swap solutions to meet the diverse needs of our clients.

ONLINE TRADING

YLG Gold Crest FZCO offers an advanced online trading platform, providing real-time market prices and 24-hour pricing availability. With a reasonable initial margin deposit, clients can take advantage of our expert investment advisory services. Additionally, our platform allows for seamless requests for physical delivery of precious metals, ensuring a comprehensive and convenient trading experience.

LOCO LL OZ

Our Internal Transfer service facilitates seamless gold ownership transfers between YLG clients. Both the transferor and transferee must be YLG account holders to utilize this service.

LOCATION SWAP

Our Location Swap Transfer service facilitates the transfer of gold from YLG customers to international locations, including but not limited to Dubai, Hong Kong, and Singapore.

99.99% GOLD BARS

Our 9999% LBMA (London Bullion Market Association) accredited gold bars represent the pinnacle of purity and quality in the gold market. Each bar is meticulously crafted and rigorously tested to meet the highest standards of excellence. These bars are recognized globally for their superior quality and are an ideal investment for those seeking reliability and value in their gold holdings.

995% GOLD BARS

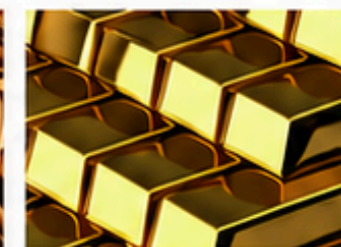

Our 995% UAE Good Delivery gold bars are a testament to our commitment to quality and excellence. Produced to most stringent UAE standards, these bars offer a high level of purity and are widely accepted within the region. They are a perfect choice for investors and traders looking for trusted and reputable gold products within the Middle East market.
